C F G
In the garden on that night, where He prayed
F G C
He said Father I know the price I have to pay
F C F
Let this cup of suffering, pass me by
C G C
Yet not my will, But your will divine

C F G
Judas came with all his guards in the night
F G C
He could have called on God to save His life
F C F
He knew His time had come, His disciples were afraid
C G C
He quickly stepped in front of them, and this is what He said

F G C
I am He, I'm the One you seek
F C F
I will go with you, Just let them go
G C
I'm the One you need

C F G
 Greater love has no man, than to lay down his life
 F G C
 He came and showed the greatest love of all
 F C F
 I was on my way to paying my own full price
 C G C
 But in His grace and mercy, he paid it once and for all

F G C
 I am He, I'm the One you seek
 F C F
 I will go with you, Just let them go
 G C
 I'm the One you need

C F G
 I can't repay the love and grace He has for me
 F G C
 He came and paid the price, to set me free
 F C F
 Everytime I see the sacrifice He made
 C G C
 I give praise to God, that I've been saved today

F G C
 I am He, I'm the One you seek
 F C F
 I will go with you, Just let them go
 G C
 I'm the One you need
