

I Don't Belong Here In This World
~George~

CHORUS

Lord take me back, Lord take me home

I don't belong here in this world Lord bring me home

There was a time, I would not mind

When they still loved you Lord, And lived your Laws

But things are changin', and changin' fast, too

So take me back Lord, back home to You

REPEAT CHORUS INSTRUMENTAL

Through trials and hard times, You've helped me through

And Lord I'm grateful, You've always been true

But in this world now, They've forgotten You

And so I ask you, take me home to You

REPEAT CHORUS
