

V1

C G C
Lord I know, that you love me
F C G
You let Your only Son Come down to die and set me free
F C
What did I do to deserve this love from you
C G C
Lord I know, I didn't do a thing

CHORUS

F C
You Love me more than I could ever love you
D G
You know I can't begin to match the love You have for me
C F
But then, in Your mercy When they nailed Him to the tree
C G C
You said now son, I understand, and I've wiped your slate clean

V2

C G C
Then I bent down, upon my knees
F C G
I said Lord I'm all alone with not a soul to take this walk with me
F C
Then not long after came the answer to my prayers
C G C
You gave a friend, to help me walk with thee

REPEAT CHORUS

V3

C G C
When I look back, I can't help but wonder
F C G
I see how you have been looking out for me In my troubles You've been near
F C
I can't recall a time when You have not been there
C G C
When I think of how You've loved me, it brings me to tears

REPEAT CHORUS
