

<sup>V1</sup>

G D

On dark nights when the stars are far away

C

When evening clouds glow fiery red

G D

The moon is high, full and bright

C

The warm breezes blow throughout the night

<sup>V2</sup>

G D

I'll think about you all the way

C

You'll be my light for every day

G D

Your love is with me, shining like a light

C D

I smile when I think of you, it feels so right

### CHORUS

G C D G

But missing you is hard, being near is better

C D G Em

A smile and a word from you means more to me than any letter

C D G Em

The only thing I can see is us growing old together

C D G Em C D

This ain't a passin' thing, if you know what I mean

G Em C D

I'll love you forever

<sup>V3</sup>

G D

How I'd miss you if you said "I've got to go"

C

But I know you'll never need to say so

G D

Darlin' I found you by a prayer

C

I know we found each other there

<sup>V4</sup>

G D

Nothin' on earth could convince me enough

C

I'm here for the stayin' till death do us part

G D

Your love is with me, shining like a light

C D

REPEAT CHORUS

You're all I could ask for, it feels so right
